

Company Profile

 **CRYPTOHOMES**

buy REAL ESTATE with
CRYPTOCURRENCY

About Crypto Homes

Crypto Homes is a modern, dynamic company which is obsessed with technology, namely the blockchain and cryptocurrencies. We use an innovative strategy, ensuring high standards of quality and a constant customer-focused mindset.

Whether you are in the market for an apartment, a villa or even agricultural land, we can connect sellers and buyers accepting cryptocurrency as a payment solution and we assist with all procedures and requirements. We operate a large real estate network and we have partnerships with all major real state agents and companies.

Vision

We allow people to invest in the opportunities that mean the most to them and allow them to contribute towards a better future for themselves and others. From buying a house for self-occupancy, to crypto investment options, we allow people to build a better life and investors to help build up new projects and reap the rewards down the line.

Why Crypto Homes

01

Quality: We deliver only excellence and aim to exceed expectations in everything we do.

02

Integrity: We conduct ourselves in the highest ethical standards, demonstrating honesty and fairness in every decision and action.

03

Agility: We set a high bar and move mountains to exceed expectations.

04

Innovation: We offer an opportunity not currently offered by anyone else, as we fully comprehend the cryptocurrency and real estate markets and the way of incorporating one into the other.

Key Factors

01 Find Your Next Investment

Browse our listed properties as you would have done with any realty.

02 Absolute Transparency

The transfer of crypto between the Buyer and Seller can be made even directly between the two parties, without us being involved. We can act solely as an introductory.

In addition, the Buyer can bring on board his/her legal representative at any point during the procedure.

We offer 100% transparency.

03 We Assist With All Legalities

Our legal team can assist you in finalizing the required KYT/KYC and AML. And the best part? The transfer of ownership can be done without the Buyer being present.

Our legal team can make the necessary arrangements assuming that all required information were provided.
